

Experienced Assisted-Living Expert

I have been consulting and teaching people “How to” for 20 years. My background includes: Expert Witness, Teacher; Writer; Owner/CEO/Administrator of a 6-bed, 30-bed, and a 49-bed Dementia-Care, Secured Secured-Perimeter Facility; Consultant; Lobbyist; Advocate; Trouble Shooter; Family Caregiver; Medication Manager; Dietary Supervisor; Activity Director; and more in my 30+ years of Long-Term Care experience. I have reviewed over 100 cases, I’ve been deposed several times, and I have served as an expert witness at trial. I have spent many days at court and I have helped hundreds of care providers and facilities with their legal problems.

I am available for both defense and prosecution cases. I helped create the RCFE, Dementia Care, Secured Perimeter, Transfer Dependency Community Care laws and standards in California. I have provided cost-effective expertise and I will work with you day and night.

Services Include:

- Oral, brief, or comprehensive written reports per your request.
- Identification of applicable standards-of-care problems.
- Case preparation, chronology or timeline of pertinent data, review of discovery, depositions and interrogatories.
- Preparing questions for depositions and expert witness reports.
- Review of facility’s policies, procedures, and operation of care standards.
- Identification of missing or tampered medical records.
- Research, preparation of exhibits, and other demonstrative evidence.

My areas of expertise include regulatory compliance, neglect and abuse, personal care services, fall precautions, protective supervision, dementia care and secured perimeters, dietary services, medication management, RCF hospice care, business and staff operations, activities, resident’s rights, maintenance, admissions, and emergency services.

Just like a great Attorney can make or break a case, so can an excellent Expert Witness. CV available. Contact rcp@goldrush.com or call (209)736-2733.
